Description:

This app helps you make schedules more easily. Using this app, you can:

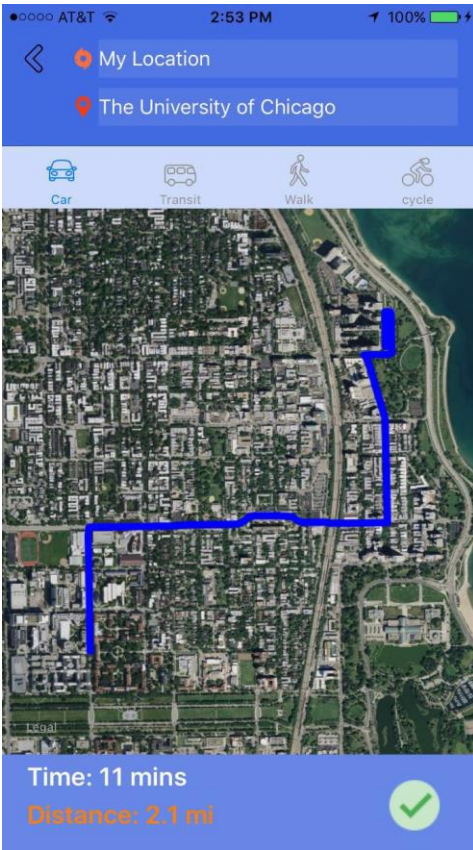

- Schedule your events
- View your schedule using a well-designed calendar.
- Choose the location of your event using a built-in map. You can view details of the locations, as well as people's reviews.
- View the weather of the location of the events
- If your event requires a travel, the app will show you the best routes and expected times. You can choose your favorite route, and the app will automatically recommend a reminder time.
- You will get notifications at the set reminder time.

Huge campus with lots to see. Make sure to walk around and see all the different and famous architecture styles all over. Don't be afraid to check out the inside of a few buildings. Also, there are many museums around with great exhibits, and surprisingly all for free. My personal favorite was the Oriental institute. The artifacts they have are in great condition. And of course, you must check out the Rockefeller Memorial Chapel. A true historical landmark of Chica...
